

EASY, COMPLIANT, STANDARD SOFTWARE PROCUREMENT FOR MAT SCHOOLS

Standardise and save on the software products your schools use through your own compliant, secure portal - *The Walled Garden*

"It's really helped us with a smooth procurement process in implementing online safeguarding systems across the Trust. It gave us one central place to direct school leaders to, where they could consider their options. EICT also supported with communications to our schools so all was well managed, with information appropriately shared."

Helen Beattie, REAch2

How does it work?

- 1 Pick the software products you want your schools to use
- 2 Agree T&Cs, SLAs, GDPR and pricing
- 3 Set up your personalised Walled Garden
- 4 Your schools log in and pick what they want
- 5 Centralised billing makes admin easy for you
